

第4周 分与合 加法（合并）

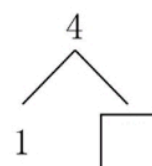

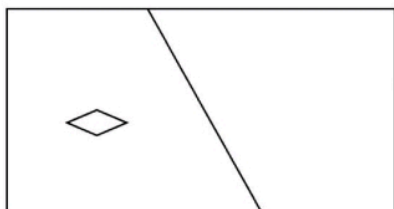

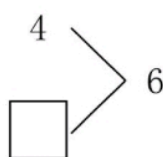

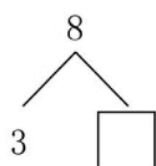

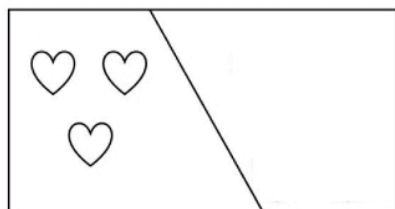

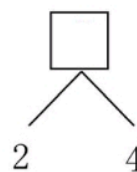

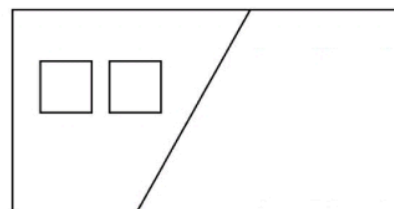

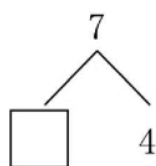

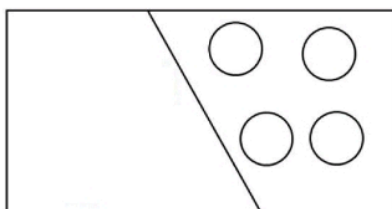

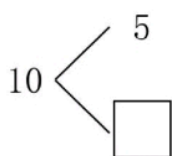

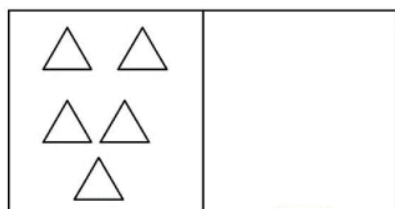

*温馨提示：请在完成学校的课堂学习后再进行本周巩固练习。

错题数

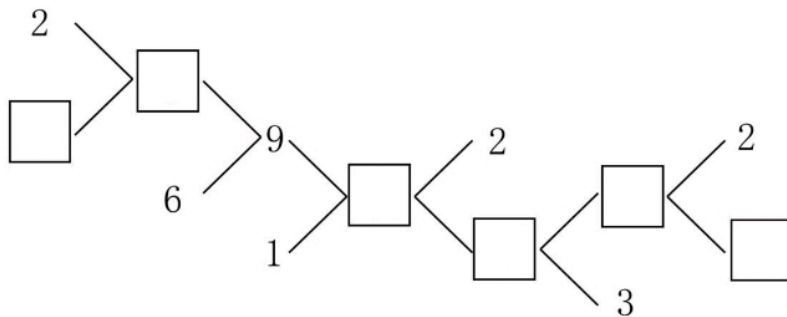

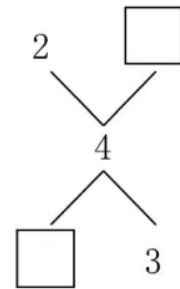

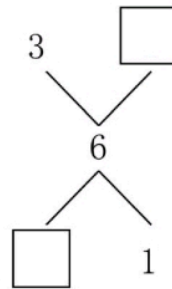

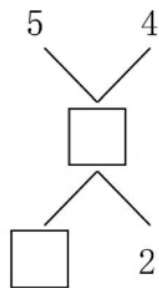

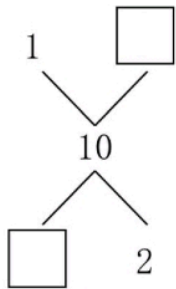

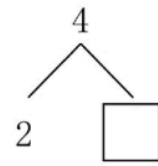

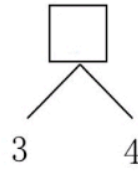

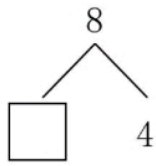

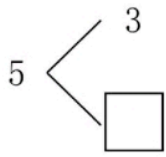

一、数一数，填一填

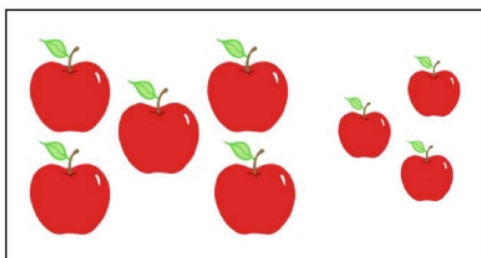

二、画一画，填一填

三、 填出□里的数

四、 看图列式计算

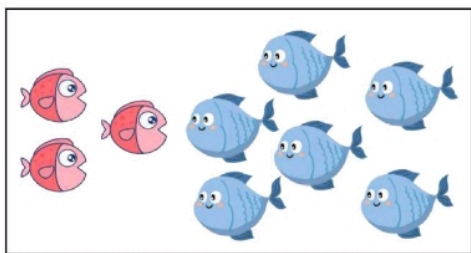

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

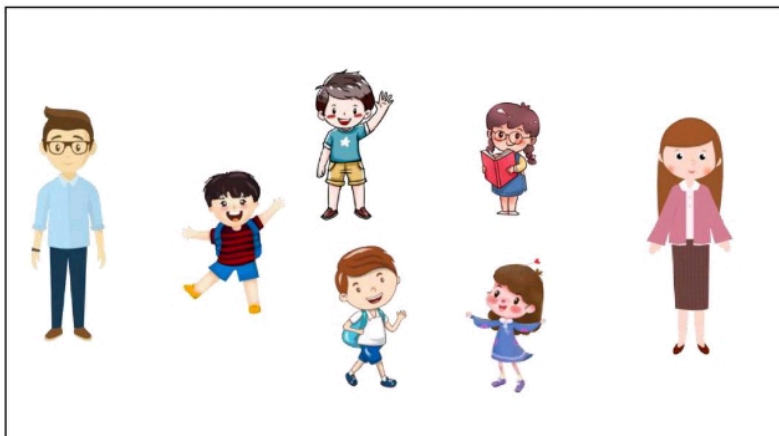

$$\square + \square = \square$$

$$\square + \square = \square$$

五、 写加法算式

1.

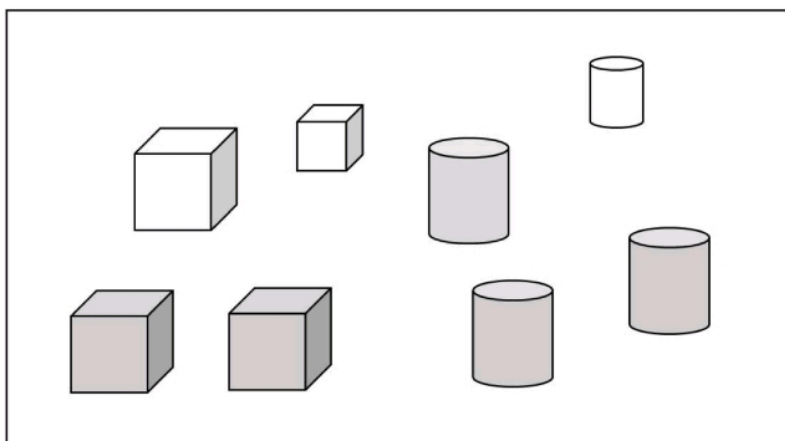

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

2.

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

六、 动脑筋

把 1~8 这 8 个数字填入□里，使每个算式的和相等。（每个数只能用一次）

$$\square + \square = \square + \square = \square + \square = \square + \square$$
